TO BUTCH SHERRILL . . .

Butch Sherrill has been a dedicated soul to GC and its students. An alumnist who achieved status as the school's Chaplain, head of Student Affairs, Head of the Alumni and advisor to the Student Christian Fellowship. Butch Sherrill remains a close personal friend to many students and was at one time acting senior class advisor. This participation with students and his caring attitude towards others makes him irreplaceable. We will miss him terribly.

"During the past four years I have had the distinct pleasure of not only knowing Mr. Sherrill, but of working closely with him through Student Christian Fellowship. I am proud to say that the former faculty member with the best looking legs is my friend."

— Carla Whitesell

"I am sorry to see Mr. Sherrill go. He is the type of person that the students could go to and talk to. He will be missed by all and I will especially miss him and all the help he gave to me and the Senior Class.

We will miss you."
— Christine McArdle
Senior Class President

"Thanks for all your support and help. On behalf of the SCF and myself you will be deeply missed. Thanks again for all the laughs and good times."

— Enthusiastically in Christ

The Rolling Stones launched their 1989 tour, the first in 8 years

The Exxon Valdez struck a reef, on the Alaska shoreline gushing millions of gallons of thick crude oil.

Hurricane Hugo left a trail of death and destruction affecting the Caribbean, Charleston and S. Carolina on Sept. 22, 1989.

Pete Rose was banned for life from baseball for betting on his own team.

Tienanmen Square in Beijing, China, was the sight of a pro-democracy protest. 3,600 people were killed and 60,000 injured when troops opened fire.

San Francisco was hit with an earthquake which registered 6.9, destroying much of the city, and killed at least 62 people.

A TRIBUTE TO

At the start of the 1989-90 school year, the athletic department was seriously considering changing the school's mascot. The yearbook staff decided to pay tribute to GC's Hornet no matter what the decision may be.

The Hornets sports team originated in 1967 when Greensboro College first took part in intercollegiate sports. The Hornet's Nest was also established at this time. Back in 1959, right after Greensboro College became co-educational, there were four intramural teams. One of the teams and the best team was named the Hornets. The school ended up choosing the mascot in replica of that intramural team.

FALL CARNIVAL

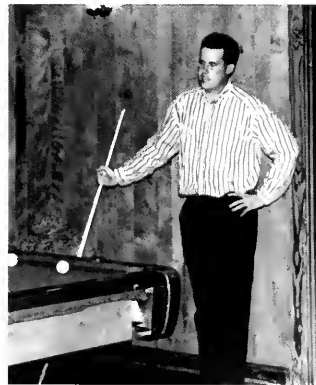

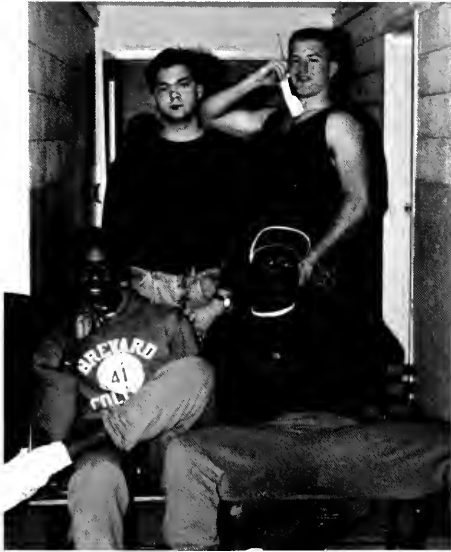

A carnival took place on front campus. The idea was to introduce students to clubs and organizations. Music was provided by 102 JAMZ. A dunking booth gave students and staff an opportunity to take revenge for a \$1.00. The \$1.00 was a donation to the United Way — and worth every penny!

BLIZZARD OF BUCKS

The game show "Blizzard of Bucks" visited the Stu this past fall. Students did a variety of fun and crazy stunts, such as putting baby bibs and bonnets on and seeing who could drink a bottle of O.J. the fastest. In the end, Lorraine Romiti won the chance to go in a booth and grab as much money as she could. Lorraine won over \$100 over all.

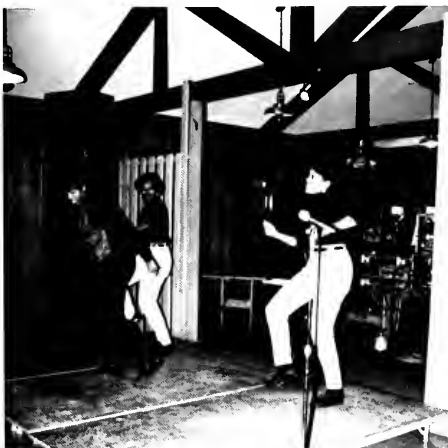

HOT BODIES

The Lip Sync Contest held by the Stu brought out some of GC's finest talent. Students got to hear a variety of songs from "Mr. Sandman" by the Woobies to a Luther Vandross song sung by Ken Washington. Ken won first place by romancing the hearts of many girls. During the intermission UAAS held a hot bodies contest. Charlene Rosey and Jeff Dastmalchian showed GC students their stuff and won first place.

DAYS OF

OUR LIVES

4 BASIC NEEDS:

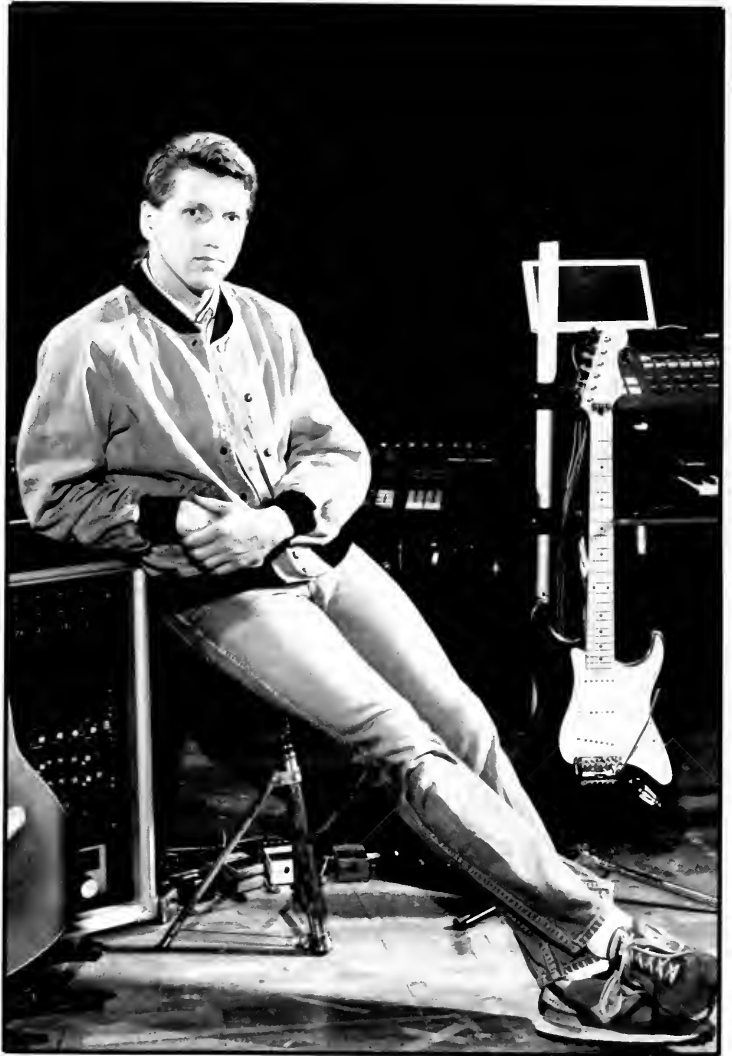

I think no matter where we go in life we will
always remember the days spent with friends.
The beautiful skies filled with fluffy white
clouds and the laughter that was carried
on the breeze.
The fond wish that it would never end was
unspoken by us all in fear that it would
break the spell.
But I realize now that those days are forever
and no one can steal the memories from our
hearts.
We wanted to remain together and never be
apart and in leaving our wish came true.
For in that time we still remain together
almost as if we never parted.
We live in each other and if we never meet
again, the memories of those days will still
keep us friends.

MUSIC MEMORIES

Dave Wopat — March 13

IN THE STU

Robin Greenstein — January 18

Musicians performed on campus throughout the year; however, the Spring seemed to be the time when music memories were made in the "Stu". The weather turning warm early naturally led to open doors in the Stu so the music could be heard beyond the confines of the building. The variety in music ranged from guitarists and vocalists such as Robin Greenstein and Michael Francis to high-tech pop-rock musicians Dave Wopat and Carl Rosen.

Michael Francis — March 22

JUMP ROPE

FOR HEART

The Jump Rope for Heart was again sponsored by the PE/Recreation club for the fourth year. This year all kinds of people showed up to help raise money for the American Heart Association. Thanks to the club and those who came and helped. \$500 was raised.

WE CAN MAKE

This was a two hour comedy show held in the Stu. Three comedians performed individually for a short period, then students were chosen to play the game, "We Can Make You Laugh." If they were able to not laugh for a given amount of time while a comedian performed, they would win \$25.00. There were two winners and two losers by the end of the night.

YOU LAUGH

GODSPEAK

"Godspell" was a musical based upon the Gospel according to St. Matthew. The cast included Dawn Belshaw, Charles Devito, Natosha Etheridge, Bertrand Gutierrez, Crystal Harvey, Steve Huff, Deirdre Jeroy, Lynda Matthews, Chrissy Penny, Charlene Rosey, and LeeAnn Symanski. It was directed by David Schram and Terri L. Rotunda was the musical director.

CHAPEL SERVICE

On April 19, 1990, Greensboro College held a worship service and picnic to reflect back on the 1989-90 academic year we all spent together as a part of G.C. The message sent to those who attended was that we are each separate individuals who can and have proven to come together as a whole — as the Greensboro College family.

We were privileged on this day to hear a message from our new Chaplain Rev. Phillip K. Cates who spoke "... on Knowledge and Love ..."

CAP AND GOWN

On May 12th the tradition of the Cap and Gown Ceremony at Greensboro

College was performed. The history of Cap and Gown began in 1919, for the purpose of "publicly announcing the members of the senior class who had been declared eligible to wear caps and gowns".

Today the seniors select their own "cappers" from among those friends they wish to participate with them in this traditional and time honored ceremony.

EDITOR'S PAGE

I would like to thank my staff and advisor for all their help. You all were great. I would especially like to thank Janine Bracco, my Assistant Editor. Without the creative and quick ideas, we'd be half a book short. I also wish Kelly O'Toole and Tammy Fain the best of luck on next year's yearbook. You'll do fine. This year's Echo is a little non-traditional and fun to put together. I hope that all of you enjoy it.

Thank you,

Peggy Petras

Editor

The past four years have been unforgettable. I want to thank everyone for their help with pictures this year — it's been crazy! Good luck to next year's staff. Some things we'll never forget — Babe! Chief! Sweet!

Love Always,

Janine Bracco

Assistant Editor
